BRET COMBS,

Petitioner,

vs.

STATE OF NEVADA, *et al.*,

Respondents.

ORDER

On or about August 7, 2013, the Court received the attached letter from Petitioner Bret Combs seeking this Court's assistance in connection with proceedings pending in state court. On August 15, 2012, this Court stayed Petitioner Combs' Habeas Petition to allow Petitioner Combs to exhaust his available state remedies (Doc. #31). Petitioner Combs' letter dated August 7, 2013, complains that nothing has been done about his case in state court. However, staff of this Court has checked the state court docket and verified that on August 2, 2013, Petitioner Combs' state court counsel filed a supplemental habeas corpus petition. The record further reveals that the state court held argument on the matter on October 28, 2013, and scheduled an evidentiary hearing for January 23, 2014. As a result, this Court finds no good cause to require further intervention pending resolution of Petitioner Combs' proceedings in the Nevada state court.

DATED: December 18, 2013.

Motion For Case Status Check / order showing
Cause why supplemental Petition wasnt submitted

Comes now petitioner Brett Combs and asks this honorable court for a
case Status Check / order showing Cause why supplemental Petition wasnt
submitted on behalf of Mr Combs. The following points of Authority are
contained herein.

Points OF Authority

Petitioners Case has received more than "750" seven hundred and
Fifty days of Continuences. Since petitioners case was directly Court ordered
by United States Judge Philip M Pro to be heard. Multiple Grounds were
Found to believe Mr Combs may be False Imprisoned in violation of
his constitutional rights. September 23rd 2011 Briefing schedule was
set. Unlimited Continuences have been given.

Prior to September 23rd, 2011 Jamie J Resch pleaded with Honorable
Judge Philip M Pro that Mr Combs had not exhausted his state Court
remedies. Stating he himself from Criminal Justice Bureau believed
Mr Combs would be granted relief due to Counsels previous
representation of other suspects in this case, and the fact he used
to work with the people / District Attorney's office prosecuting me. He
stated it would oblivate the need for Federal proceedings all
together. Philip M Pro then Court Ordered the state Courts to respond
to petition. Stating Successive Motions to Dismiss will not be entertained.

Giving the State 45 days to respond. They responded and found Multiple grounds as stated above. Now 8/15/2012 Motion For Stay and Abeyance was granted by Federal Courts as they had previously stated My case had already passed a preliminary stage where they seen problems. Case # C261306 was already given a Federal # 2:11-CV-00528-PMP-VCF which the Federal Judge ordered Clerk of Court to Close until such time the court grants a motion to reopen the matter if this case made it that far

Now two years later still no supplemental petition has been provided to the Courts. Mr Combs has wrote his attorney and has received no response, called his attorney, theirs no money on account nor has their ever been

Continuances are continually given that Mr Combs isn't aware of til after the fact. Their have been three Attorneys dismissed or withdrawn From this case prior to Current Counsel. letters have been written by Federal Attorneys to Clarify record as attorneys have Committed blatant perjury in the past to my Judge. Past attorneys have been threatened by Judge to be sanctioned yet nothing has been done. The minutes and transcripts prove it has never been been Mr Combs actions that caused attorneys to be dismissed, withdrawn, subject to sanction But the attorneys actions or lack there of

Now Mr Combs asks where does case C261306 stand? Mr Combs does not know whats been done, Mr Combs hasnt viewed any supplemental petition, and prior to viewing any petition on Mr Combs behalf Mr Combs Must view petition as Mr Combs we court ordered by Honorable judge Philip M Pro to insure everything is Brought to the courts attention

If Mr Combs attorney wont notify petitioner of what is happening in petitioners case petitioner must Contact the

Courts.

Conclusion

Brett Combs is the petitioner in this case # C261306 and its not right for petitioner to be continuously kept in the dark. The supplemental petition is long past due. Something must be done. More than 750 days worth of Continuances clearly shows my rights are being violated. The only time I seem to get a response out of an attorney in the state is to contact the judge.

Respectfully Submitted this 7th day of Aug 2013

Sincerely Petitioner
Brett Combs
